## COVERAGE and DURATION

CARDONE warrants that it will provide a free replacement for any CARDONE® New unit that fails or proves defective during normal use on the vehicle on which it was originally installed. This warranty does not apply to a CARDONE® New product which has been altered, misused, damaged, installed improperly, installed on a vehicle for which it was not designed, installed on a racing or high performance vehicle, or, in the case of CARDONE® New Master Cylinders, installed using the wrong brake fluid (use only D.O.T. 3 or D.O.T. 4 as per O.E. specifications). This warranty also does not apply to any CARDONE® New Steering Part that was installed without a steering system flush using O.E. recommended fluid. On commercial/fleet vehicles, all CARDONE® New products listed above are covered for up to 2 years or 24,000 miles, whichever occurs first. This warranty is extended only to the owner of the vehicle on which the CARDONE® New unit is installed, for as long as that person owns the vehicle, and is not transferable.

## REMEDY and SERVICE

A replacement for a failed or defective CARDONE® New unit is available from the point of purchase. The unit must be returned with proof of purchase and a written description of the failure or defect.

## EXCLUSIONS

CARDONE makes no warranties of merchantability or fitness for a particular use or purpose and no other warranties, representations or guarantees, whether written or oral, beyond those contained in this warranty. The replacement of the unit is the sole and exclusive remedy for the claims of any type (including personal injury) arising from the failure or defective condition of the CARDONE® New unit, from CARDONE's negligence or breach of legal duty, or otherwise. CARDONE® will not reimburse the vehicle owner for the cost of removing or returning the failed or defective unit, installing the replacement unit or replacing any other parts, or for any other expenses, charges or damages.

## LIMITATION on LIABILITY

To the extent allowed by law, CARDONE® will have no obligation to the vehicle owner for any incidental or consequential damages arising from the failure or defective condition of the CARDONE® New unit, from CARDONE's negligence or breach of legal duty, or otherwise. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.
